Events at the Sherlock Holmes Hotel have a special Sherlock Holmes Murder Mystery while the other two venues have a 1920s gangster plot set in the Chicago underworld of organised crime!

The event is £60 per person including welcome drinks, delicious 3 course meal, interactive murder mystery performance and we have thrown in half a bottle of wine per head as well!

The events are great fun with larger than life murder mystery characters acting scenes between the courses of your 3 course meal. They will table hop gossiping and dropping hints and we introduce word games for the more cerebral guests. Before dessert you and your team get the chance to question the suspects and a prize is awarded to the team with the winning solution to Whodunit! We also give smaller prizes for best fancy dress (optional but fun!) and solutions to word games. For after the dinner entertainment, the concierge can usually pre-arrange passes to night clubs from £8 so that you can carry on your evening at one of London's popular clubs. We can also help arrange accommodation for the night and have great rates with the hotels involved (subject to availability!).

If you decide to book with one of our interactive murder mystery dinner events you can either go to our website [www.murdermysteryshop.com](http://www.murdermysteryshop.com) and click on London Events or contact us and we will book it over the phone and send you confirmation.

Accommodation is usually booked by us but is paid for by you on the morning of your departure.

I hope that all this information is helpful to you. Please don't hesitate to contact me if you have any further questions.

Kind Regards

Mark Hayden
